

Theatre On Ice 2021 Season Updates

Theatre On Ice National Summer Series (May – August)

In lieu of a National Theatre On Ice competition this year, teams will have the opportunity to compete in a summer series of nonqualifying TOI events across the country. Teams participating in the series only need to compete once but may compete in all; their highest CJS scores for CE and FS will be incorporated into national rankings, and medals will be awarded to the top placing teams at each level for both the Choreographic Exercise and Free Skate. Each team that participates will receive a gift for each athlete that participates. The Series will run from May 14 – August 29, and final placements will be announced in a virtual closing ceremony. As part of the closing ceremonies, teams can submit video postcards of their team for inclusion in the presentation.

The following competitions have been confirmed as part of the National Summer Series:

- Birmingham, Alabama, June 28-30, 2021
- Brighton, Michigan, July 16-18, 2021
- August 2021 - TBD

We anticipate additional competitions being added to this list; teams are encouraged to discuss the possibility of hosting an event with their skating clubs. We understand given restrictions in different areas of the country, clubs may not be certain yet of their summer competition plans. Consequently, we ask that any club interested in hosting a Theatre On Ice Summer Series event submit a [Statement of Interest by May 1, 2021](#). This Statement of Interest is not a commitment to host an event, but rather an indication of interest; we will follow up with interested clubs to determine if hosting an event is feasible.

Virtual Theatre On Ice Challenge (mid-summer)

In addition to the National Summer Series, there will be a standalone virtual event offered this summer to provide teams another opportunity to participate. Additional details on the Virtual Theatre On Ice Challenge will be forthcoming later this spring.

Nations' Cup & Adult Gold Cup Selection Competition

This event will be open to any Novice, Junior, Senior, and Adult teams who would like to be qualify for the 2022 Nations' Cup & Adult Gold Cup events. not be a factor in selections. Guidelines for this event as well as location will be decided by the end of summer.
